About MFMac

Morton Fraser MacRoberts LLP (MFMac) is a full-service Scottish independent law firm, providing clients with access to one of the largest legal resources in Scotland.

We are twice our previous size and one of the largest independent law firms in Scotland. One of the key messages is, “not just bigger, but better”.

With a team of over 250 lawyers, we seamlessly integrate business acumen with innovative approaches, guaranteeing exceptional client service and unrivalled expertise.

As the merged firm, MFMac, we offer greater strength and depth in all service offerings and have added and expanded our legal specialisms.

MFMac works with clients across all sectors of the economy, providing advice to businesses, the public sector and individuals and families on the full spectrum of legal matters, including:

- Employment law, including Immigration law
- Commercial contracts
- Corporate law
- Banking, lending and finance
- Dispute resolution and mediation
- Competition
- Health and safety
- Intellectual property
- Technology
- Data protection
- Shipping
- Public procurement and subsidy control
- Restructuring and insolvency
- Projects
- Regulatory compliance and governance
- Pensions
- Agricultural
- Housebuilding
- Real estate
- Tax
- Private client, including family law matters

Doing Business in Scotland and the UK

The merged firm’s greater strength comes from its collaborative relationships and connections, and MFMac is proud to be an active member of ADVOC, providing efficient and personalised legal solutions to clients of member firms. In addition, Euan Duncan, Partner, is on the ADVOC Europe Board.

From our offices in Edinburgh and Glasgow, MFMac works with clients across Scotland and the UK, and those globally with interests in Scotland and the UK.

Scotland maintains robust trade connections throughout the UK and Europe and across the globe, and presents a plethora of business opportunities for a wide range of enterprises and investors spanning all sectors of the economy, including start-ups, SMEs and multinational corporations.

For organisations looking to engage in business in Scotland and the UK, MFMac can provide support and assistance with the associated legal considerations, including, without limitation:

- Manufacturing
- Healthcare
- Public sector
- Energy
- Life sciences, biotech and medtech
- Food and drink
- Technology and software
- Creative industries and media
- Professional services
- Charities and third sector
- Transport and logistics
- Retail and hospitality
- Financial services and fintech
- Construction
- Education
