ABOUT AUCKLAND, NEW ZEALAND

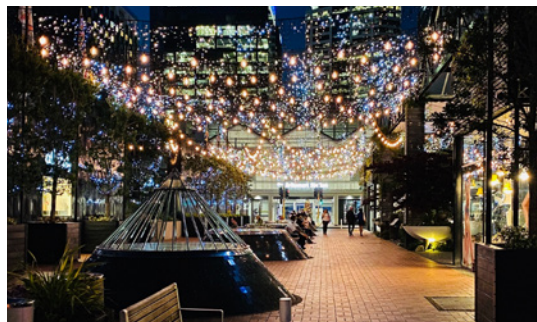

Auckland is a multi-cultural urban oasis of food, music, arts and culture. It's where sparkling waters and lush landscapes meet city sophistication.

Tāmaki Makaurau, the Māori name for Auckland, means desired by many. This name refers to the abundance of natural resources, strategic vantage points, portage routes, and mahinga kai (food gathering place) which first attracted Māori, and then other settlers, to New Zealand. The spiritual and cultural connection Māori have to Tāmaki Makaurau is tied to their relationship with the land, maunga (mountains), harbours and waters.

You'll find the best of both worlds in Auckland, with beautiful subtropical rainforests, parks and beaches all so close to the city centre. You're never far from the sea in Auckland.

Explore Auckland's magnificent Hauraki Gulf and its beautiful islands. The jewel of the gulf is Waiheke Island, a haven of vineyards, olive groves, beaches and fine dining, just a 40-minute ferry ride from downtown Auckland.
