### DIA 2 – PARACAS

B/-/-

Breakfast at your hotel.

At a coordinated time in the morning, you will go on your private transportation to Pisco airdrome (3 hours from Lima) to overflight the Enigmatic Nazca Lines.

Located in the San José Pampas, 25 km from Nazca. Ancient dwellers from the Nazca culture left a valuable archaeological legacy consisting of a huge network of lines and drawings depicting animals and plants. Discovered in 1927 by Toribio Mejía Xesspe, they have been studied by Paul Kosok, Hans Horkheimer and, in particular, María Reiche, a German scientist who lived in the area for more than 50 years, studying and investigating their origin. A flight over the Nazca Lines is an unforgettable experience. (Ticket included).

#### Paracas National Reserve Tour

After visiting the boulevard de Paracas the guide will take you to visit the Paracas Reserve. This is a huge protected area located south west of the city of Pisco. The name of this beautiful place is derived from a Quechua word meaning "sand rain" probably due to the strong winds that hit the evenings here. The Paracas National Reserve is also very important since in their inhabit waters abundant quantities of zooplankton and phytoplankton, which allows a variety of fish that allow industrial and artisanal fisheries. This is a very important activity in the town of Pisco. The Paracas National Reserve is located in an area of 335,000 hectares and is considered one of the most important ecosystems on the planet. During our visit we will see the beautiful cliffs and beaches along this tour (red beach beach Yumaque, lagunilla).

Overnight at Selected hotel in Paracas.
